FAQ

Can I send more items, mix and match, or make my own pack?

Definitely! Please see our full offerings [here](#).

How many people can I gift ice cream to?

As many as you'd like! We have a 10 recipient minimum for group gifting.

How do you ship ice cream?

Our ice cream is packaged in an insulated box with plenty of dry ice to keep it frozen hard right to any doorstep.

How much does shipping cost?

We offer flat-rate shipping based on the recipient state, starting at \$15 per recipient.

Does the recipient need to be home to receive the delivery?

We ship via UPS with signature release, so no one needs to be home to receive the order. Please make sure that the recipient moves the contents of the package into the freezer as soon as possible!
